Investor at Cathay Innovation
San Francisco, California, United States

Summary

Currently an investor at Cathay Innovation, a global venture capital firm managing over \$2.5B AUM focusing on investments in the physical x digital world. Before joining Cathay Innovation, worked as a consultant at McKinsey & Company advising on growth strategy and operations in the advanced industrials sector. Prior to that, worked at FedTech, a venture former, sourcing technologies and leading startup studio team formation and as a Materials Engineer for the Naval Surface Warfare Center - Carderock Division (NSWCCD).

Graduated from Case Western Reserve University with a B.S. in Materials Science and Engineering and an M.S.M. in Finance. Perpetually dreaming about a day where Buffalo sports teams don't disappoint...
