Paris, Île-de-France, France

Résumé

Founding team @ 1st Kind - Venture activity of the Etablissements Peugeot Frères (head holding of the Peugeot family)

Expérience

1st Kind

Early stage VC

juin 2024 - Present (1 an 10 mois)

Part of the founding team at 1st Kind - The venture activity of the Peugeot Family Office (Établissements Peugeot Frères).

We back early-stage founders tackling critical challenges, with a focus on three areas: deeptech innovation, industrial applications, and climate solutions.

With first checks up to €2m, we select the best teams all over Europe, to help them build enduring companies for global scale.

Drawing on over 210 years of industrial expertise, our deep-rooted industrial background gives us a unique advantage in understanding what it takes to build durable, globally recognized products.

We leverage our experience and wide network, to fuel bold ideas driving sustainable change and European Dynamism.

AMI - Advanced Machine Intelligence

Investor

mars 2026 - Present (1 mois)

Enabling the next AI revolution by building systems that understand the physical world, remember what they've learned, reason and plan autonomously, and stay controllable throughout.
