2016 - DreamUpVision, InMemori, Ledger, M2Key, PlumeLabs, Rogervoice, 360&1, Digital Fineprint, Metigate, Spixii
2015 - Dreamquark, Everledger, Finsquare, Qualisteo, Wever, Wicross, LucieLabs, MyCoach, Synchronext, Vulog

More info : <https://www.allianz.fr/accélérateur/en/>

Before joining Allianz to create the accelerator, Sylvain was the founder of a Product Strategy and Business Development Consulting firm, and mentor of international startups programs. Sylvain successfully spearheaded key management and executive positions in the enterprise IT software market for Fortune 500 covering Strategic Alliances, Business Development, Product Marketing, Product Management, CTO and Head of Engineering. He also headed, as VP Strategy and Member of the Executive Committee, major IT trends in a Silicon Valley company. Sylvain has experience in due diligence, M&A in worldwide and multicultural contexts. Sylvain holds a BSc in Computer Science and Database Management, an MBA of Entrepreneurship from MBS, an Executive from Stanford and was part of the Berkeley Methodology of Entrepreneurship program.

Experience

#Crypto #NFT #Luxury #Metaverse

We are building Exclusible (<https://exclusible.com/>) a NFT marketplace for luxury brands + AR/VR/Digital Fashion/metaverse.

1 - It creates additional revenues for the brands with a production cost close to zero.

2 - On secondary market transactions brands can receive automated resale royalties.

3 - Brands will be able to reach a new, digitally engaged, younger audience.

4 - Brands have the ability to engage with this audience by inviting them to events and give them access to exclusive products.
