Anytime

12 years

Board Member

June 2023 - Present (2 years 10 months)

Founder and CEO (Sold to Orange Bank)

January 2021 - May 2023 (2 years 5 months)

Paris, Brussels

Anytime was acquired by Orange Bank in January 2021. Orange Bank is now aiming to make financial management easier for SMEs and SOHOs.

Founder and CEO

2014 - January 2021 (7 years)

Paris, Brussels,

Our goal is to create better banking services for SME, freelancers and individuals.

Anytime's vision is a world of better banking services for SMEs and SOHOs, more relevant, in real time, including a suite of solutions, to buy, sell, pay, collect and send money. Anytime includes an IBAN, an international Mastercard debit card and a wide range of services available on the Anytime BankStore. Customer simply has to download the Anytime iOS or Android

App. We believe the next banking generation is mobile and not even more web centric.

SMEs, startups, entrepreneurs, can manage their business expenses, secure their online purchase thanks to a virtual Mastercard, get paid by SMS or email, accept card payments at the Point-of-Sale or on the go, accept checks payments...

Anytime Banking as a Service API, is the true enabler of that next generation of banking. A generation who wants to control in real time the bank, to create the next awesome Fintech apps. Based on a robust and open banking platform, Anytime also provide its entire solution in white label to fintechs, banks, insurance companies and SMEs
