Sometimes ambition just has to lead with a foundational (big)bang 🧨

1st Kind is very proud to support the largest-ever fundraiser for a European-founded company.

AMI Labs is emerging out of stealth today, swinging for the fences with a massive \$1bn seed round to ask a daring question aloud:

Are LLMs really the defining end of the paradigm in AI, or a mere transitory state ?

In tomorrow's unbound opportunity of physical AI, and with the age of robotics and automation upon us, acute understanding of the physical world matters more than ever.

Built around an all star team and state-of-the-art foundational research and a serious roster of entrepreneurial scar tissue, we wish for AMI to be one of the
